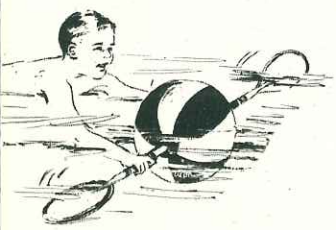
A new water toy, fun for young swimmers and beginners. Ball is of heavy Krene vinyl, has two 20" wood paddles, which fit into metal sockets in the ball. Grasping the molded plastic hand grips, the user propels himself by dipping the paddles alternately. Good exercise besides teaching swimming to the novice. 53" long. Pump included. Wt. 4 lbs.



G STAY A FLOAT An old favorite but greatly improved. Each of six sections have Kapok filling encased in water-tight plastic so that the vest will always stay buoyant and will dry in a jiffy. One need not worry about children and deep water if they wear one of these, as they are more buoyant than cork; can't leak or puncture, yet they are soft and can be worn without discomfort. Strapped to the body over the shoulders, with adjustable leg straps for extra security. With them non-swimmers will find the vests a practical aid in learning to swim. Ship. wt. 2 lbs. each.
